Nissan Forklift

Nissan Forklift Training Oshawa - Nissan prides itself on reaching overall customer fulfillment when their buyer is enjoying one of their numerous trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with resilient production principals, Nissan Forklifts provide many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the company has four separate production facilities that permit them to continually adapt to their consumers continually evolving needs by providing a range of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and processes that lessen their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their consumers command whilst being an environmentally aware organization.

Nissan is assured that they will be able to address any consumer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community endorsed dealers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
