Genie Forklift

Genie Forklift Training Oshawa - Genie is a universally predictable company that enjoys the spirit of partnership with their vast network of allied consumers. Genie Industries prides itself on the thought of bringing materials and people higher and extending beyond the products they design. Genie Industries strives to help clientele build their operations no matter how large or small the level of undertaking may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, portable material lift spawned the beginning of Genie Industries. A succession of aerial work platforms and other material lift trucks followed to meet consumer demand. These progressive products secured global acknowledgment and established state-of-the-art product design.

Genie Industries is presently a subsidiary of Terex Corporation. Maintaining leading quality production and uncompromising service and support are among their highest priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured lifts on the jobsite, the company is confidently grounded in their exceptional client service and values. Acknowledging that their customers are their greatest inspiration, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The trustworthy team is dedicated to greener, more environmentally practical options to advance the goods that consumers want. Genie Industries focuses on "lean production" practices in order to help minimize waste while building very high quality lift trucks in the shortest time period at the lowest workable cost for the customer. The team at Genie Industries is proud to serve the industry and this is reflected in every invention they design. Always inviting client contribution enables them to produce and develop innovative new products that are effortless to service and handle, deliver optimum value-for-cost and meet international standards. Thriving on client advice enables Genie Industries to continually evolve and satisfy the consumers' needs.

Genie's service professionals are readily available to offer solutions to the questions you may have in order to keep you fully operational. Their vast components network will swiftly send parts to guarantee their customers' machinery are operating efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its customer service and builds and serves its goods to guarantee proficiency and maximum uptime on the job. Providing on-going instruction opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the tools to get the most out of their purchase.
